

SUMMER CHANGES

by JB

====INTRO SOMETHING OR OTHER====

====VERSE 1====

Am D
Do you remember running through the rain
C G
Umbrella broke shirt got soaked
Am D
Burning embers floating through the smoke
C F
Fire in the sand you and me and...

====CHORUS====

G
All our friends say we should be together
C
We would last forever (We would last forever)
G
What would you say if I confessed today
C
We should be together (we should be together)

====VERSE 2====

Do you remember sitting in the stands
Forget the score nobody scored
Next September will you be with me
Back at school where I'm a fool

====CHORUS====

====BRIDGE====

E C
Summer changes everything
G F
Feels like half my life gone by
E C
Twelve hot weeks can mean the world
G F
To me, and you oh my oh my...

====CHORUS====

====CHORUS====

====CHORUS====

(until you're sick of it, crowd singing along, fade out)
